

Certified English teacher with practical experience at Bayane Bartar, delivering instruction across all proficiency levels (Pre-A1 to C2). Specialized in Communicative Language Teaching (CLT), post-method approaches, and inclusive education principles. Proven ability to manage diverse classrooms, and enhance student outcomes through effective assessment, scaffolding, and interactive teaching strategies.

-----Experience-----

- English Language Teacher – Bayane Bartar

10/2024 – 10/2025
- Designed and delivered comprehensive CEFR-aligned curricula (Pre-A1 to C2) resulting in consistently high learner engagement and measurable language progression.
 - Specialized in Communicative Language Teaching (CLT) and post-method pedagogy ensuring practical, real-world language acquisition and learner autonomy.
 - Expert in DEIB-based inclusive classroom practices creating equitable learning environments that support diverse student backgrounds and promote belonging.
 - Developed and adapted interactive lesson plans and teaching materials tailored to learner proficiency levels, goals, and institutional requirements.
 - Applied scaffolding strategies with effective ICQs and CCQs to ensure clarity of instruction, learner comprehension, and successful task completion.
 - Conducted continuous assessments and provided constructive feedback to drive learner performance, track progress, and support individual growth.
 - Taught all core language skills (speaking, listening, reading, writing, grammar, vocabulary) across various proficiency levels using engaging, student-centered methods.
 - Demonstrated strong classroom management and learner engagement techniques fostering a motivating, interactive, and positive learning atmosphere.
 - STUDENT DEMOGRAPHICS & SCALE: Instructed 500+ students across teens (15+) and adults in varied class formats including 1-on-1 tutoring and small group classes (3-12 students), delivering personalized and collaborative learning experiences.
 - MATERIALS & CURRICULUM: Delivered CEFR-aligned instruction (Pre-A1 to C2) using Evolve series (all levels), Oxford Word Skills, institutional curricula, and self-designed supplementary materials tailored to learner objectives and proficiency gaps.
 - STUDENT OUTCOMES & RETENTION: Achieved 95%+ course completion and progression rate with consistent positive learning outcomes, demonstrating effective curriculum delivery and learner support strategies.
 - ENGAGEMENT & ATTENDANCE: Maintained 89-95% average attendance through engaging, student-centered methodologies and tracked participation via institutional app-based monitoring systems.
 - STUDENT SATISFACTION: Earned 4.3+ out of 5.0 average student satisfaction rating through constructive feedback, responsive teaching approaches, and consistent homework completion tracking.
 - PROFICIENCY DISTRIBUTION: Demonstrated expertise across all CEFR levels (Pre-A1 to C2) with balanced teaching experience in foundational, intermediate, and advanced English language instruction.
